

ROAD CLOSURE

OSTRANDER ROAD AT MACON DRAIN

between Ann Arbor and Dundee Azalia Roads

LOCATION MAP

When Will This Be Done?

This work will begin June 19, 2017 and is expected to take 2 months to complete.

How Will Traffic Be Affected?

This work will require a complete closure of Ostrander Road at the bridge for the 2 month duration. There will be a signed detour around the closed bridge via Wells, Cone, and Ann Arbor Roads.

How Can I Help?

Please seek alternate routes for the duration of this project to help speed construction and reduce your delays through the construction zone.

CONSTRUCTION WORK ZONES NEED YOUR UNDIVIDED ATTENTION

What Is Being Done?

The Monroe Road Commission in cooperation with the Federal Highway Department, Michigan Department of Transportation and Milan Township will be rehabilitating the Ostrander Road Bridge over Macon Drain between Ann Arbor Road and Dundee Azalia Road in Milan Township. The deck will be patched and resurfaced, the bridge will be repainted, and the guardrail approaches updated to current standards.
