CONSTRUCTION PROJECTS Week of May 7, 2018

Dundee, London & Raisinville Townships

Plank Road from Yensch Road to Ostrander Road

The contractor is scheduled to continue the hot mix asphalt resurfacing of Plank Road from Yensch Road to Ostrander Road during the first part of the week of May 7th. During the resurfacing operation, two-way traffic will be maintained on Plank Road with single lane closures and traffic regulators. Short-term delays should be expected when work is being performed.

London Township

Sherman Road between Plank Road and Wanty Road

Sherman Road is tentatively scheduled to be closed to through traffic between Plank Road and Wanty Road on Thursday, May 10th and Friday, May 11th for the removal and replacement of two drainage cross tiles. A detour route will not be posted for this road closure due to the low traffic volume and the short duration of the closure.

Monroe Township

Held Road from Dunbar Road to 300 feet north of Dunbar Road

The contractor is tentatively scheduled to cold mill and resurface Held Road from Dunbar Road to approximately 300 feet north of Dunbar Road during the latter part of the week of May 7th. During the cold milling and resurfacing operations, traffic will be maintained with lane closures and traffic regulators.

Waters Edge Drive from LaPlaisance Road to 400 feet north of LaPlaisance Road

The contractor is tentatively scheduled to cold mill and resurface Waters Edge Drive from LaPlaisance Road to approximately 400 feet north of LaPlaisance Road during the latter part of the week of May 7th. During the cold milling and resurfacing operations, traffic will be maintained with lane closures and traffic regulators.
