CONSTRUCTION PROJECTS **Week of May 28, 2018**

Bedford Township

Fairfield – Lewis to Dead End
Forestview – Jackman to Dead End
Dean – Crabb to Minx

The above mentioned roads are scheduled to be chip sealed the week of May 28th, weather permitting. Roads will be closed to thru traffic during this operation. Sweeping will be done approximately one day after the chip seal.

Bedford/Erie Township

Sterns – Summit to US-24
Temperance – US-24 to Lewis

The above mentioned roads are scheduled to be chip sealed the week of May 28th, weather permitting. Roads will be closed to thru traffic during this operation. Sweeping will be done approximately one day after the chip seal.

Dundee Township

Ann Arbor Rd – Milwaukee Rd to Ostrander Rd

Ann Arbor Road bridge at Bear Swamp Creek. Concrete deck patching. During working hours, two-way, one-lane traffic will be maintained with single lane closures and traffic regulators. Motorists should expect delays and use caution when traveling through the work zone.

Erie Township

Hickory, Jacobs, Brown – Summit to Dead End

Hickory, Jacobs, and Brown Roads are tentatively scheduled to be closed to through traffic between Summit and the dead end during the week of May 28th, 2018 for a hot mix asphalt

overlay. Due to the nature of the work, no through traffic will be allowed through the project; however, access to local residences within the work zone will be maintained during construction.

Manhattan – Erie to Summit

Manhattan Road is tentatively scheduled to be closed to through traffic between Erie and Summit during the week of May 28th, 2018 for a mill and fill with hot mix asphalt. Due to the nature of the work, no through traffic will be allowed through the project; however, access to local residences within the work zone will be maintained during construction.

Fletcher – M-125 to Dead End

Fletcher Road is tentatively scheduled to be closed to through traffic between M-125 and the dead end during the week of May 28th, 2018 for a hot mix asphalt multi-overlay. Due to the nature of the work, no through traffic will be allowed through the project; however, access to local residences within the work zone will be maintained during construction.

Suder – Temperance to State line

Suder Road between Temperance and the state line is scheduled to be chip sealed the week of May 21st, weather permitting. Roads will be closed to thru traffic during this operation. Sweeping will be done approximately one day after the chip seal.

Summit St – Morin Point St to Morin Grove St

Summit Street bridge at Halfway Creek. Concrete deck patching. During working hours, twoway, one-lane traffic will be maintained with single lane closures and traffic regulators. Motorists should expect delays and use caution when traveling through the work zone.

Exeter Township

Steffas Road between Heiss and Zink Roads

Starting Tuesday, May 29th through Wednesday May 30th, the tile crew is scheduled to remove and replace an existing cross tile. The roadway will be closed to through traffic. The road will be plated to allow K-crete to harden. Hot mix asphalt will be placed at a later date. Weather permitting the work should be completed by May 30th.

Frenchtown Township

Hurd Road from M-125 to Vivian Road

Hurd Road is tentatively scheduled to be closed to through traffic between M-125 and Vivian Road starting on Tuesday, May 29, 2018 for drainage improvements along Hurd Road. The signed detour route for the Hurd Road closure will utilize M-125, Nadeau Road and Vivian Road. Due to the nature of the work, no through traffic will be allowed through the project; however, access to local residences within the work zone will be maintained during construction. Hurd Road is expected to remain closed to through traffic until mid-June.

North Dixie Hwy – Sandy Creek Rd to Hurd Rd

North Dixie Highway bridge at Sandy Creek. Concrete deck patching. During working hours, two-way, one-lane traffic will be maintained with single lane closures and traffic regulators. Motorists should expect delays and use caution when traveling through the work zone.

Raisinville Township

Ida Maybee Rd – Dixon Rd to North Custer Rd

Ida Maybee Road bridge at River Raisin. Concrete deck patching. During working hours, two-way, one-lane traffic will be maintained with single lane closures and traffic regulators. Motorists should expect delays and use caution when traveling through the work zone.
