

MONROE COUNTY ROAD COMMISSION
NOTICE TO BIDDERS INQUIRY RESPONSE

Disclaimer: This Notice to Bidders is being provided by the Monroe County Road Commission (MCRC) as a courtesy service to contractors. In preparation of this Notice to Bidders, the Monroe County Road Commission has endeavored to offer current, correct and clearly expressed information. This information is not a part of the contract documents and has no contractual standing. The information provided will not be accepted as documentation as a basis to file a claim.

MCRC Project No.: 468-021-239159
Project Description: 2023 Bridge Preventive Maintenance
Bid Date: Wednesday, March 29, 2023 at 10:00 a.m.
Responded By: Michael Smith
Response Date: 03/23/2023

The following question(s) and answer(s) are provided below in response to an inquiry received regarding the above project:

Question No. 1: Is there an error in the header of the last column in the log of work? Should the pay item for the last column be "Maintaining Traffic, Traf Regulator Control"?

Answer No. 1: Yes. The header for the last column in the log of work should be "Maintaining Traffic, Traf Regulator Control."

The only bridge scheduled for a road closure is Dennison Road at Bear Swamp Creek in Milan Township. One-lane, two-way traffic shall be maintained on all of the other bridges with single lane closures and traffic regulators.

Question No. 2: Will the Monroe County Road Commission allow the use of Automated Flagger Assistance Devices at the locations where two-way traffic is to be maintained with traffic regulators?

Answer No. 2: Yes. The use of Automated Flagger Assistance Devices (AFAD) will be allowed.

The AFADs shall be operated by a flagger trained to operate the devices being used. A minimum of one traffic regulator shall be on site at all times during the operation, and flagging equipment required for traditional traffic regulator control shall be available near each AFAD in the event of an AFAD equipment malfunction.

The AFADs will not be paid for separately and are included in the unit price for **Maintaining Traffic, Traf Regulator Control**.
